---

**NB** - If the certifying authority for your First Aid certificate would like the RYA to consider their first aid certificate they should contact the RYA with the following information:

- Copy of the certificate
- Full detailed syllabus of the course, in English
- Confirmation of the course duration
- Detail of first aid instructor training and how their instructors are qualified
- How quality of instruction is assured

Submission for approval must come directly from the certifying authority. The approval process may take a number of weeks and may not result in the certificate being approved, we therefore suggest you consider an alternative first aid qualification should you require your certificate urgently.

The certifying authority should send the details to [training@rya.org.uk](mailto:training@rya.org.uk).
