Due to the Coronavirus infection we are working to government guidelines to run your course. This means there are changes to how courses are run from timings and the number of students. Please view our Covid-19 page <https://www.hamble.co.uk/covid-19> to find out more. Please note this is subject to change as and when new guidance is available.

How to find us:

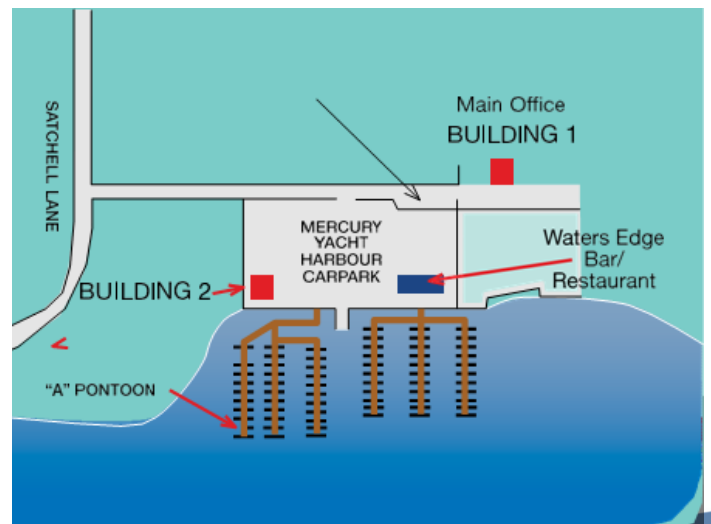

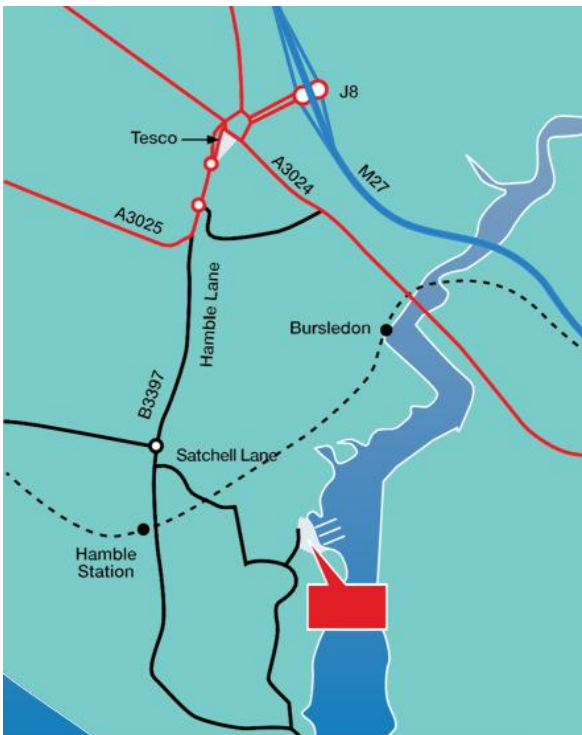

BY CAR:

Leave the M27 at junction 8 signposted Hamble/Southampton East. This will take you to a roundabout – from the East take the first exit, from the West take the third exit. At the next roundabout take the second exit. There will be a Tesco store on your left. Go straight across the next two mini roundabouts and the traffic lights. Follow this road for approximately ¼ mile. Go straight across the next roundabout and then immediately left into Satchell Lane where there will be a large school on your right. Follow this road over the bridge and eventually you will see the sign for Mercury Yacht Harbour on your left where there is a free carpark.

For those of you with Sat Nav, our postcode is SO31 4HQ.

BY TRAIN:

As you will see on the map, there is a train station in Hamble; however it is approximately a ½ hour walk to Mercury Yacht Harbour. Please note there is not a taxi rank at Hamble station and local taxi companies are reluctant to run the short trip from the station to Mercury Yacht Harbour. From London travel to Southampton Airport station. There is a taxi rank at this station. It is approximately a 15 minute taxi ride to the marina.

Practical courses

Please bring some warm clothing i.e. thin thermal layers, long johns, fleece, woolly hat etc... In the summer months don't forget sun block, hats and shorts. Clothes that are quick drying are preferable. We do not provide footwear so we recommend deck shoes or trainers with good grip. In addition if it's likely to be a wet week then you may wish to consider some sailing boots. Please bring a wash bag and towel, sleeping bag and pillow. Wet weather gear is important and if you don't have your own you can use ours free of charge. Food from the first lunch to the last lunch is provided for residential courses.

Shorebased courses

Courses are held in our classrooms and most days run from 0900 – 1700, however please check your booking confirmation email to confirm the times. The Day Skipper and Coastal/Yachtmaster theory courses do have some homework so please bear this in mind if you are commuting. Accommodation is not provided for shorebased courses so if you need to find local accommodation please click [here](#). Tea and coffee is provided but lunch is not, there are plenty of local eating places including the Gaff Rigger which is based in the marina.
